

# NEWS FOR YOU

Dear Member,

Due to the current Covid-19 pandemic, the IRS has released carryover allowances for 2021 unused funds, which differs from the standard IRS mandated carryover limits.

**A *\*TEMPORARY\** Carryover Amendment has been added for State of Kansas FSA, DCA, and LP plans, allowing ANY unused funds remaining at the end of the 2021 plan year to carryover in full to the 2022 plan year.**

This amendment is temporary and will end on December 31, 2022, after which plans will revert to the previously established carryover limits.
