

It's never been easier for you to spend your health benefit account dollars!

The London Health Administrators marketplace, a feature available within the LondonHealthUSA.com, curates a wide range of HSA- and FSA-eligible products and services you can purchase using your health benefit account funds.

Marketplace partners provide a wide variety of offerings, from over-the-counter products and medical services to hearing aids, vision care, and dental health solutions.

Key Benefits

A simplified experience enables you to maximize the value of your health benefit account and ensures you use your funds appropriately

Takes the guesswork out of purchases by providing a simple and convenient way for you to identify HSA- and FSA-eligible goods and services

Provides valuable insights into the types of goods and services eligible for purchase

Self-service convenience allows you to easily browse marketplace partners and information about their offerings with the ability to click on a partner's link when you want to learn more or are ready to make a purchase using your account funds

Auto substantiation across marketplace partners for all purchases made with your benefits debit card

Evolving partnerships with new products and services added throughout the year

FSA Store is everything flex spending with zero guesswork. It connects you with the largest selection of FSA-eligible products and educational resources you can actually understand. In addition to seasonal deals, the site has account support tools such as open enrollment guides and educational videos. When shopping through the marketplace, you can use the coupon code displayed to receive extra savings at checkout.

GoodBuyRx is the ultimate pharmacy savings card. You simply present the card at more than 60,000 participating pharmacies to save up to 75% on generic or brand name medications. In three easy steps to saving, you print your card, search for the lowest price, and locate your nearest pharmacy.

Health Credit Services provide financing solutions for elective and non-elective healthcare expenses. With a personalized HCS loan, you can pay for your deductibles as well as treatments and procedures not covered by insurance. HCS offers 12 to 36 month loans with affordable interest rates and low monthly payments.

HSA Store is health savings, simplified. The online marketplace offers more than 4,000 HSA-eligible products and a Learning Center with easy-to-understand educational resources and videos. The brand is focused on helping you maximize your long-term health savings and help ease the financial burden of medical needs should they arise.

SingleCare is a prescription savings program that makes it easy for you to save and know how much your prescription will cost before you head to the pharmacy. SingleCare is not insurance, does not have any membership fees or premiums, and does not cost anything to join.

VHS delivers hearing aids and supplies weeks faster and up to 60% cheaper than when ordered through an audiologist. They combine premium products, low prices, and speed to delivery with online and telephonic audiologist support, flexible payment methods, and a 45-day money back guarantee.

ZENDYHEALTH

ZendyHealth makes it easy to find and book popular medical, dental and cosmetic procedures, such as Botox, Laser Teeth Whitening, and CT / MRI scans at affordable prices without sacrificing quality. Online shopping tools allow you to take control of your healthcare dollars and find local, affordable, top-tier medical providers.
