HSA WELCOME KIT

ABOUT YOUR PLAN

Congratulations! Let's get started!

Thank you for opening a NueSynergy Health Savings Account (HSA). Our goal is to provide an affordable and convenient approach to begin saving for your medical expenses. With NueSynergy, you'll receive personalized service as well as online and smart mobile app access to real-time account information, tools and resources.

Sticking to the basics

An HSA enables you to save, invest and spend funds for qualified medical expenses on a tax-advantaged basis. Unused funds roll over from year to year and continue to grow tax-free.

What's next?

This Welcome Kit provides an overview of how your HSA works, including accessing your account online, contributing and using your funds, maximizing contributions and utilizing online tools within the employee portal. You will receive the following materials:

- Welcome letter with your account number
- Welcome email with login instructions
- HSA debit card (within 10 business days)

Use this kit to get started

Now that your account is open, you can begin making deposits and using funds to pay for HSA-qualified expenses. Read through this guide for helpful hints and guidance on how to take control of your health care costs and begin saving for your future medical expenses.

HSA eligibility recap

To be eligible to open and contribute to an HSA, you must meet all the following criteria, defined by the IRS:

- You are covered by a qualified High Deductible Health Plan (HDHP).
- The 2024 annual minimum required deductible for an HDHP cannot be less than:
 - » Individual Coverage: \$1,600 per year
 - » Family Coverage: \$3,200 per year
- The maximum out-of-pocket expenses are capped for individual and family coverage. The 2024 maximum out-of-pocket limits are:
 - » Individual Coverage: \$8,050 per year
 - » Family Coverage: \$16,100 per year
- You are not covered by another non-qualified health care plan, such as a health plan sponsored by your spouse's employer, Medicare or TriCare.
- Flexible Spending Account (FSA) participation is restricted to:
 - » Limited Purpose FSA (dental, vision, or post-deductible medical expenses)
 - » Dependent Care FSA (for dependent care expenses, such as daycare)
- You cannot be claimed as a dependent on another individual's tax return.

Always here for you. Call, click or smart mobile app.

- View real-time account balance and transaction information online or on NueSynergy smart mobile.
- Track expenses for tax reporting purposes.
- Print forms and documents related to your account.
- Find educational material to help understand your HSA.
- Customer support is on hand for questions and issues.

CONTRIBUTING TO YOUR ACCOUNT

Contributing is a Snap!

When you contribute funds to your HSA, it lowers your taxable income while helping you build a nest egg for future health care expenses. Contributions may be made by you, your employer or anyone; however, the preferred tax treatment will only be realized by you.

You can contribute money to your account in several convenient ways:

- **Direct Deposit** - Direct deposit can be facilitated through the employee portal, by your employer, or by your payroll provider. These contributions can be deducted from your paycheck on a pre- or post-tax basis, depending upon your employer's benefit program.
- **Funds Transfer** - Within the employee portal you can make one-time electronic transfers from other financial institutions. They are fast and easy!
- **Account Transfer** - If you have an existing Health Benefit Account or IRA, you may be eligible to either rollover or transfer the funds to your new HSA. Required forms are available within the employee portal or you may contact NueSynergy for further assistance.
- **Checks** - You can send a check by mail to NueSynergy's bank partner and HSA trustee, WealthCare, 1601 Trapelo Rd, Main Building, Suite 301, Waltham, MA 02451. The check should be made payable to WealthCare Saver, and you should include a deposit slip from your checkbook or simply write your account number in the memo line.

Maximizing Your Contributions

As you decide how much to contribute, it's important to note that contributing the maximum allowable amount helps you to get the most from your HSA. At the very least, you'll want to contribute enough to cover anticipated health care expenses.

Contributions may be made until April 15 for the previous calendar year. Additionally, if you are 55 or older, you are allowed to make a \$1,000 catch up contribution. The tax advantages of an HSA make it a powerful long-term savings vehicle. Keep in mind that HSA contribution limits established by the IRS typically change each year, and you must not over contribute to avoid adverse tax consequences.

2023 HSA Contribution Limits

The maximum amount you may contribute is:

- Individual Coverage: \$4,150 per year
- Family Coverage: \$8,300 per year

2023 Catch-Up Contribution Limits

Individuals 55 years of age or older can make additional "catch-up" contributions:

- An additional \$1,000 per year

How much can you save over 25 years?

PAYING FOR YOUR HEALTH CARE

Simple and Tax-Free

Because you've enrolled in a High Deductible Health Plan, you no longer have to submit claims or wait to be reimbursed for medical expenses. With your HSA, accessing your funds to pay for qualified medical expenses is simple and tax-free.

When you need access, the following options are available:

- **NueSynergy Smart Debit Card** - At the doctor's office or pharmacy, simply swipe your card. If you're paying by mail, phone or online, just provide your smart debit card number to complete your transaction.
- **Checks** - If you prefer to write checks, they can be ordered when opening your account.
- **Bill Pay** - Once you log in to the employee portal, you can enroll for the Bill Pay feature. Once completed, you can add your payees.
- **Reimbursing Yourself** - If you don't have enough funds in your HSA, or if you prefer to pay out-of-pocket for qualified medical expenses, just keep your receipts. You can choose to reimburse yourself.

Keep Great Records!

Keep track of your expenses and payments by using the NueSynergy smart mobile app or the employee portal. You can see balances, view transactions, create reports, and upload receipts. Also, based on your health plan, some of your expenses may apply toward your deductible.

If you use your HSA funds for non-qualified medical expenses and are under the age of 65, then you may incur a 20% penalty and owe income tax on the amount used. However, qualified medical expenses remain tax-free after age 65.

Need Additional Information?

For more information about how to use your funds, manage your expenditures, use bill pay, reorder a NueSynergy smart debit card, or determine if an expense is qualified, visit our comprehensive website at www.NueSynergy.com.

Rather talk to a person? Contact us by calling toll free at 855-890-7239 or email CustomerService@NueSynergy.com.

Qualified Medical Expenses

Qualified medical expenses are those directly related to the alleviation or prevention of physical or mental illness. Amounts paid for over-the-counter drugs are no longer qualified medical expenses unless prescribed by a doctor. This requirement does not apply to expenses such as insulin and diabetic supplies, bandages, band-aids or contact lens supplies. Expenses generally can be for yourself, your spouse, or your dependent children, regardless of whether they're covered under your health plan. HSA funds can be used to pay for qualified medical expenses such as:

- Medical Care
- Dental
- Deductible Payments
- Chiropractic Fees
- Vision
- Prescriptions
- Medical Equipment
- Physicals
- Speech or Physical Therapy
- Premiums (COBRA, Long-Term Care, Medicare A/B/C/D)

Interest options to fit your employee's needs

With an HSA, you can choose the interest option that works best for you: High-Yield or Traditional. You can easily update your preference directly within the mobile app or participant portal.

Interest rates for both options are tiered (with higher account balances receiving higher rates) and can be viewed here.

High-Yield

- Offers the potential to earn a higher interest rate on the HSA cash balance
- Funds are not FDIC-insured and are held in a deposit account backed by a highly rated insurance company

Traditional

- Lower interest rates on the HSA balance
- Funds are held at a depository institution and insured by the FDIC

Increased earning potential with High-Yield

INVESTMENT OPTIONS & TAX ADVANTAGES

Simple and Tax-Free

Because you've enrolled in a High Deductible Health Plan, you no longer have to submit claims or wait to be reimbursed for medical expenses. With your HSA, accessing your funds to pay for qualified medical expenses is simple and tax-free.

When you need access, the following options are available:

- 1. Money goes in tax free** - Most employers offer a payroll deduction plan that allows you to make contributions to your HSA on a pre-tax basis. The deduction is deposited into your HSA prior to taxes being applied to your paycheck, making your savings immediate. You can also contribute to your HSA post-tax and recognize the same tax savings by claiming the deduction when filing your annual taxes.
- 2. Money comes out tax free** - Eligible medical purchases can be made tax free when you use your HSA. You can also pay out-of-pocket for eligible medical expenses and then reimburse yourself from your HSA. You can use the NueSynergy smart mobile app, your smart debit card, online bill pay or write a check.

- 3. Earn interest tax free** - The interest on HSA funds grows on a tax-free basis. Unlike most savings accounts, interest earned on an HSA is not considered taxable income when the funds are used for eligible medical expenses.

The only time you may pay taxes or penalties on your HSA funds is if you make a non-eligible purchase or contribute more than the yearly maximum contribution limit. However, both circumstances can be corrected free of tax penalties by April 15 of the following calendar year.

How can an HSA help secure my retirement?

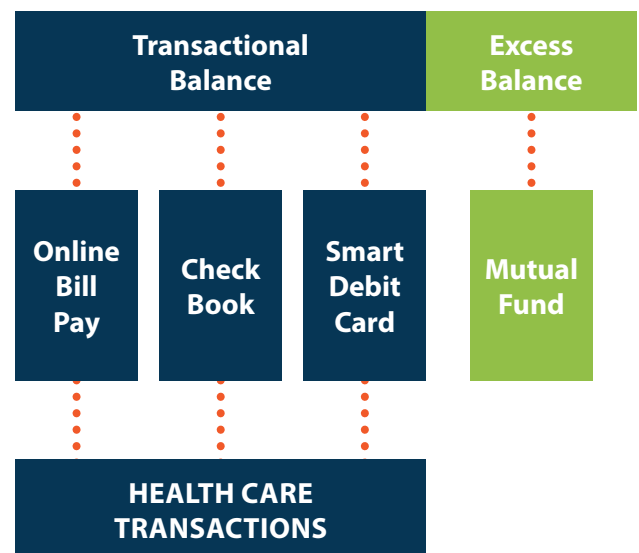

Participation in an HSA allows you to invest both pre- and post-tax dollars to prepare for retirement. Although your funds can be used to pay for immediate health care expenses tax free, you can also save the money for health care expenses later in life. Whether you withdraw the money tomorrow, five years from now or once you've retired, funds used for qualified health care expenses are always tax free.

Your HSA Investment Options

NueSynergy HSA investment options are offered through Devenir, the leading HSA investment advisor in the country. Devenir features clients of all sizes, from small community banks to Fortune 500 companies.

Through the participant portal at www.NueSynergy.com, you can:

- Access competitive investment choices, including an array of mutual funds or an interest-bearing account.*
- Elect to sweep contributions into investment accounts when they meet the necessary account threshold.
- Find educational materials and tools online to help you understand your HSA.

* Investments are not insured by the FDIC; are not deposits or other obligations of NueSynergy or our banking partner, WealthCare Saver, and are not guaranteed by NueSynergy or WealthCare Saver; and are subject to investment risks, including possible loss of principal invested.

TOP 10 REASONS TO KEEP YOUR HSA

1. Triple Tax Advantaged

Contributions are tax free, potential interest gains accumulate tax free and distributions are tax free when used to pay for qualified medical expenses.

2. Flexible

In case of emergency, funds can be used for non-medical expenses (money withdrawn may incur a 20% penalty and income tax charge). At age 65, any remaining HSA funds can be withdrawn for non-medical reasons without a penalty.

3. Portable

You own all HSA account funds. The accumulated balance in the account rolls over from year to year. Accounts move with you even if you change employment or retire.

4. Convenient

The NueSynergy prepaid MasterCard provides employees with an easy and convenient way to access HSA contributions. Paper checks are provided as well.

5. Independence

Employers prefer the long-term viability of an independent administrator. The relationship your employer has with their HSA administrator or HSA custodian remains consistent, along with all plan processes and resources, even if they switch to a different insurance plan.

6. Savings for future health needs:

Unused contributions accumulate and can be saved and used for future medical expenses or to supplement retirement income. For example, unused funds can be used to pay COBRA or other medical insurance premiums during periods of unemployment or temporary layoff.

7. FDIC Insured Account

NueSynergy HSAs are FDIC insured through our banking partner, WealthCare Saver. This partnership enables us to provide a fully integrated experience through our employee portal at www.NueSynergy.com.

8. Investment options

You can select from a spectrum of investment options to match your preferred investment style. Investments are offered through Devenir.*

9. Record keeping

Process HSA deposits and withdrawals, post transactions, prepare and distribute bank statements and perform year-end reporting on required IRS forms.

10. Monthly Statements:

Sent when the account has any activity. (Quarterly statements are sent to all account holders regardless of activity.)

** Investments are not insured by the FDIC; are not deposits or other obligations of NueSynergy or our banking partner, WealthCare Saver, and are not guaranteed by NueSynergy or WealthCare Saver; and are subject to investment risks, including possible loss of principal invested.*
