As owner of the Health Savings Account as identified above, I hereby request that the custodian take the following action: (Please check action below)

Withdrawal Request – Contribution/Deposit Correction

I am requesting an Account Withdrawal in the amount of \$ _____ for correcting a contribution error.

Tax year of Correction: 20 _____ **Original Deposit Date:** _____ (mm/dd/yyyy)

Note: If your contribution is over the maximum IRS limit, please complete the Excess Contribution Refund Request section above.

I certify that the above contribution was the result of a mistake of fact. I understand UMB is not required to accept the mistaken contribution and, that I am responsible for any tax consequences that may result from this transaction.

Funds will need to pass through applicable clearing periods before they are returned. Requests may only be made during the current tax year and will result in a decrease in the total amount contributed for the applicable tax year. (All prior year contributions must be corrected by April 15 of the following year.)

By signing bottom of page 2, I understand that mistaken contribution requests may only be accepted for contributions that were submitted by the Account Holder on a post-tax basis, and not for pre-tax contributions or those submitted from another entity. I affirm that the correction from my HSA in the amount stated above is a correction of a mistaken contribution resulting from a mistake of fact due to reasonable cause. I understand that I am solely responsible for any tax consequences and penalties resulting from improperly reporting this as a mistaken contribution, instead of a distribution of excess contribution, from my HSA.

I would like my distribution to be in the following form (Please select one box below):

Check Direct Deposit - Requires accountholder's bank account to be set up in the Wealthcare portal.
If bank account is not available, disbursement will default to a check.

Note: The IRS requires UMB to report withdrawals that are considered refunds of excess contributions. In order for the withdrawal to be accurately reported, you may not withdraw the excess directly. Instead, you must request an excess contributions refund by faxing or mailing this signed and completed form to UMB, using the address or fax number listed below.

I further understand that it is my sole responsibility to determine the tax consequences of such distribution, to properly report the distribution on my federal income tax return and on Form 8889 for HSA as well as on any state income tax returns, and to pay any taxes and penalties arising as a result of this distribution (see IRS Publication 969, *Health Savings Accounts and other Tax-Favored Health Plans*).
